Vacant Posts

While members may, of course, stand for election in any post, the following are vacant and we are particularly keen to find volunteers:

Club Secretary - being the point of administrative contact for the club and England Athletics

Club Development Officer - looking at areas the club needs to develop and change as we move forward, assessing the changing needs of the club and the systems we have to support it; looking at how we incorporate club initiatives and programmes from England Athletics

Reception Assistant (new role) - the reception area of the club has grown over the last few years. Providing support and administrative assistance to the Reception Coordinator

Communication Officer - ensuring club members receive information via FB, website and news bulletins about important dates, events and going's on in the club (not race results or press/media as these are already covered)

Boys Assistant Team Manager - supporting the team manager with the team management and at events.
